January 4, 2013

Wreck It Ralph: Wreck-It Ralph longs to be as beloved as his game's perfect Good Guy, Fix-It Felix. Problem is, nobody loves a Bad Guy. Ralph comes up with a plan but soon wrecks everything, and accidentally unleashes a deadly enemy that threatens every game in the arcade. Ralph's only hope is a young troublemaking "glitch" from a candy-coated cart racing game who might just be the one to teach Ralph what it means to be a Good Guy. Rated PG.

February 1, 2013

Monsters University: Take a trip back in time to when star Monsters, Inc. employees Mike Wazowski and James P. "Sulley" Sullivan were just two promising young students at Monsters University in this frightfully fun prequel. Long before they were lurking in closets for a living, Mike and Sulley were just two Scaring majors at Monsters University, dreaming of the day they would make children shriek in terror. Rated G.

March 1, 2013

Planes: From above the world of "Cars" comes "Disney's Planes," an action-packed animated comedy adventure featuring Dusty, a plane with dreams of competing as a high-flying air racer. Rated PG.
